An open book is shown from a low angle. The foreground page is blank and slightly out of focus. The background page is filled with Braille characters. The text "Mon arrivée dans l'informatique" is overlaid in the center of the image.

# Mon arrivée dans l'informatique

A close-up photograph of five white wooden blocks with black letters spelling out the word "STUDY". The blocks are arranged in a horizontal line on a light brown wooden surface. In the background, there are several stacks of books, some with orange and green covers, and a teal-colored wall. The lighting is soft and focused on the blocks.
